

This University of Alabama (UA) Libraries Research Computing Services (RCS) workshop content and tutorial code are licensed under the [MIT License](#) (unless otherwise noted). A copy of the license is included with these materials in the shared UA Box folder or GitHub repository. Please note that some scripts may depend on external services and/or software, which must be installed or accessed separately and are governed by their own licenses and terms. Refer to the respective documentation for installation, usage, and licensing details.

A recommended citation format is:

Author(s) of Workshop/Tutorial. [Title], University of Alabama Libraries Research Computing Services, [date].

If you are a UA-affiliated faculty member, staff, or student and plan to incorporate these materials into your teaching, please contact us first: <https://ask.lib.ua.edu/>. Doing so helps us coordinate efforts, ensure consistent quality, and explore opportunities for collaboration.
